

The State of Texas } To the Honorable the Judge of
County of Travis } the County Court of said County:

The Petition of Philip Golden, a resident citizen of said County and State, would most respectfully represent, that he was one of the veterans who served in the Army of the Republic of Texas in the War of Independence prior to the first day of January 1837; that he obtained an honorable discharge with Bounty lands; that he received a pension for said service, under the previous law, the proceeds of which have been already consumed in providing for his necessities. Being now 62 years of age, in feeble health, his right side being paralyzed, and in indigent circumstances and unable to work, he prays your Honor, that after due notice hereof, according to law, on a hearing of this cause, he may be adjudged entitled to the benefit of the Act of July 28, 1876, Chapter 63, for the Veterans of the Texas Revolution: for which, with all other relief, he will ever pray.
